Your Excellency;

Please forgive me for approaching you on behalf of the imprisoned Christian journalist Luka Binniyat. He was arrested on November 4th on charges of "cyberstalking" because on October 29th he had reported about massacres of Christians by gangs of the Shepherd Nomads from the Fulani ethnic group in Nigeria. Such attacks are occurring with increasing frequency

For some time now, observers have been following this development, about which Binniyat has been reporting, with growing concern. The journalist has only advocated the equal protection of his fellow believers. His work is based on general human rights, namely freedom of expression, freedom of the press and freedom of religion.

I therefore humbly beseech you, dear Mr. President, to do everything in your power to advocate the immediate release of Mr. Binniyat.

Most respectfully.
